

Until There's A Cure Credit Card Deposit Form

We do all we can to make your UNTIL Bracelet Party as easy and stress-free as possible, with no cost to you; however, we will be shipping a significant quantity of UNTIL Bracelets to you for your Bracelet Party, so it is necessary that we secure the value of those items with a valid credit card.

Please note that your credit card will NOT be charged when you sign up for your Until There's A Cure Bracelet Party if you return any unsold bracelets along with the funds raised within 3 weeks (or an agreed-upon later date) after your party.

If, however, you don't return the unsold bracelets and the money raised from the sales of the bracelets on the agreed upon return date your card will be charged the full retail value of the bracelets sent to you. This rarely happens.
